JO-RO Manufacturing launches its new website

Airdrie, 1 March, 2010. JO-RO Manufacturing Company Ltd. is pleased to announce the launch of its new website www.joromfg.com

With a fresh and clean design, the JORO website consists of the following sections:

- *Welcome*
 - In addition to our introduction, this section features some useful industry links to office ergonomics as well as a library of standard JORO pages.
- *Products*
 - Features a more concise division of the product lines and solutions that reflect our level of sophistication and expertise in height adjustability.
- *News*
 - Keeping you up to date with our new products and solutions.
- *Media*
 - A gallery of solutions that utilize our products.
- *About JORO*
 - A better presentation of our history.
- *Contact us*
 - Features a complete revamp to simplify your interaction with our company.
- *i-JORO*
 - Animated features for a better understanding of our solutions.

We encourage you to visit this site for your first line of information. The site has been designed to be easily managed and updated.
